

ENVIRONMENTAL POLICY STATEMENT

1. This statement applies to all land, premises and activities within the control of The Neuadd Dyfi Management Committee
2. The Neuadd Dyfi Management Committee is committed to the conservation and improvement of the environment and to minimising the environmental impacts of the risks arising from its activities.
3. The Neuadd Dyfi Management Committee will manage its operations in ways that are environmentally sustainable.
4. In order to achieve this aim the Neuadd Dyfi Management Committee has the following key objectives:
 - to promote sound environmental management policies where appropriate
 - as a minimum, to comply with the requirements of relevant legislation;
 - to make efficient and environmentally responsible use of energy and water;
 - to promote environmentally responsible procurement of goods and services;
 - to minimise waste production as far as is practicable, to reuse or recycle waste where appropriate.
 - to reduce and, where practicable, prevent pollution;
 - to raise awareness of members and users of the Neuadd Dyfi of environmental impact, activities and performance and to promote individual good practice.
5. Whilst the Neuadd Dyfi Management Committee accepts the main responsibility for implementation of this policy, individuals have a very important role in co-operating with those responsible for safeguarding the environment. Individuals are required to abide by rules and requirements made under the authority of this policy.
